(RHOBASOL 20 DSF)

ARTICLE - NR. 040003

Cold cleaner and degreaser

APPLICATION

Ready-to-use cold cleaner and degreaser, for dissolving and removing oily or waxy corrosion protection films. Simply spray onto the surface to be treated or apply with a damp cloth and allow to act briefly. Then wipe off with a clean, dry and lint-free cloth.

PRODUCT FEATURES

- volatilises quickly and absolutely residue-free
- does not attack material surfaces such as steel, aluminium and non-ferrous metals
- efficient due to very low consumption and high cleaning
- particularly suitable for thorough cleaning of surfaces to be painted, such as equipment, spare parts, tools, engines, chassis, machinery, and similar
- effectively dissolves deposits of oils, greases, waxes, resins, and environmental dirt
- Multi-functional use

TECHNICAL SPECIFICATION

Appearance	colourless fluid
Density at 15 °C	approx. 0,76 g/ml
Flashpoint	approx. 27 °C

Before use, check material compatibility on an inconspicuous area. Observe the manufacturers cleaning and care instructions! No liability can be accepted for improper use and resulting damage.
werden.

STORAGE

Storage temperature: 5-30 °C

Shelf life: 12 Months
