

## RHOBA LAVIA L202

(RHOBASOL 5503)

ARTICLE-NO. 040009

Hydrocarbon-based cold cleaner and degreaser

### APPLICATION

**RHOBA LAVIA L202** is a ready-to-use, mild-smelling solvent cleaner for intensive degreasing and cleaning of solvent-resistant surfaces.

The product is used in ultrasonic baths (room temperature), hydrosonic assisted immersion baths, small parts cleaners, as well as immersion, spray and wipe methods. Once no visible film remains on the surface, the product has dried, and subsequent steps can be conducted.

### PRODUCT FEATURES

- cleans painted and unpainted surfaces
- proven effective in the metal and plastic industry
- removes residues of oils, greases, resins, waxes, preservatives, etc.
- evaporates completely without leaving any residue
- free from chlorinated hydrocarbons and aromatic
- does not attack material surfaces such as steel, aluminum and non-ferrous metals

### TECHNICAL SPECIFICATIONS

Appearance	clear, colorless liquid
Density at 20 °C	approx. 0,77 g/ml
Flash point	> 65 °C
Solubility	not water-soluble

Before application, test material compatibility at an inconspicuous area. Follow the cleaning and care instructions provided by the manufacturer. We cannot be held liable for improper use and resulting damages.

### STORAGE

Storage temperature: 5-30 °C

Shelf life: 12 months
